BUFFALO ROUND-UP

VOL. 15

EDITORIAL

Our school years are important, formative years of our lives. Since the training we get in school is a step by step, year by year process, this year's Round-up has been arranged in a chronological order by grades to bring out this process.

We might compare our school years to a ladder. Each grade in school is represented by a rung on the ladder. On which rung do you stand? Are you just beginning to climb up the ladder, or are you ready to step off into another part of the world? Those of you in the upper grades may glance back at the first few grades with a note of sadness as you reminisce of the years past when you were on the first rungs of the ladder of education. Those of you on the lower rungs may be looking eagerly forward to the things to come.

It is to give you this view that the ROUND-UP has been re-arranged this year.

It is my hope that the ROUND-UP of 1960 will be one that each of you will look back on and treasure in the years to come.

Sincerely,

Joyce Anderson

During the four years that Mrs. Schwalbe has been at Stanton High, she has taught not only math and Spanish, but lessons in living as well. Everyone has been inspired by her youthful spirit and zeal. However, her interests are not limited to the classroom, for she has sponsored the junior and senior classes, the Spanish Club, and the annual staff.

In appreciation for her inspiration and leadership, we dedicate this book to Mrs. Schwalbe.

Congratulations to the Annual Staff and to their sponsor for the wonderful book they have prepared. It will preserve for us in years to come all the happenings of this school year.

I hope that this book will show the student body and our patrons the progress we have made in the past. Also I hope the students have caught the spirit of the things which we are trying to put across. Every student has the same opportunity to learn, and it is usually his fault if he fails to get what is being presented in the classroom. Everyone must be alert at all times and be making an effort to improve his own education. No one can be responsible for his education except the individual himself.

We should all strive at all times to make good citizens of ourselves for our school, our community, our state, and our nations.

Sincerely,

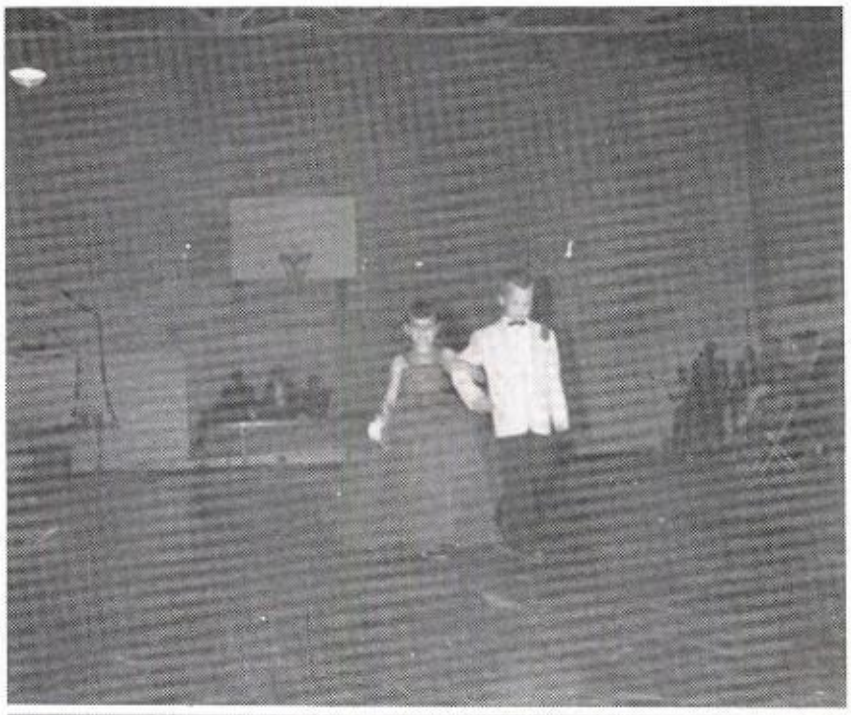
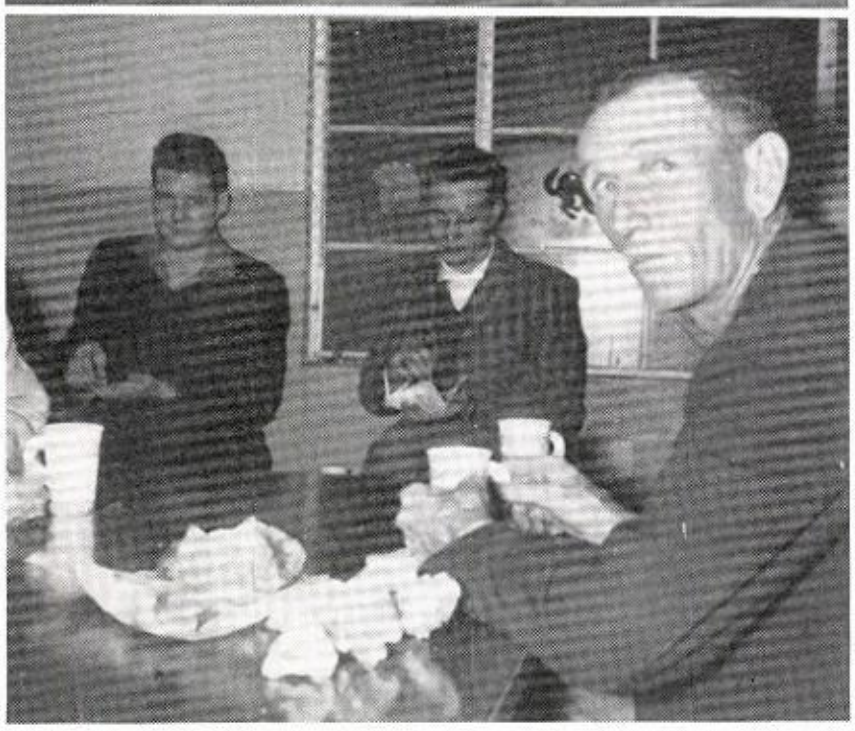
The Harvest Festival





The Harvest Festival, sponsored by the P. T. A. is held each fall at Halloween time. This is the fund raising project of the P. T. A. and the money goes to provide many much needed things for the various departments of the school. These things have varied from a piano to first aid supplies.

This year the High School queen was Cheryl McArthur, escorted by Herb Sorley. The Elementary School queen was Cindy Avery, escorted by Steve Robnett.

This past summer, by vote of the two districts, Courtney School became a part of the Stanton Independent School District. High School students are brought by bus into Stanton, but Grades One through Eight will continue to be taught at the Courtney plant.

This year, in honor of these classes having become a part of our school system, the Annual Staff has chosen to give the elementary grades and their personalities a separate section in the Roundup. We are very glad to have these boys and girls and we hope that they will enjoy being a part of the Stanton Schools.

Stanton has a School Board of which any town could be proud. They are young, progressive, well educated, men who are interested in everything which might go toward making Stanton a pleasant place in which to live - and that includes a desire to make Stanton Schools as good as the best.

These men give many hours of their time to making plans to create an always better school for the young people of the community. The Yearbook Staff wishes to express sincere thanks to this group for the splendid work they are doing.

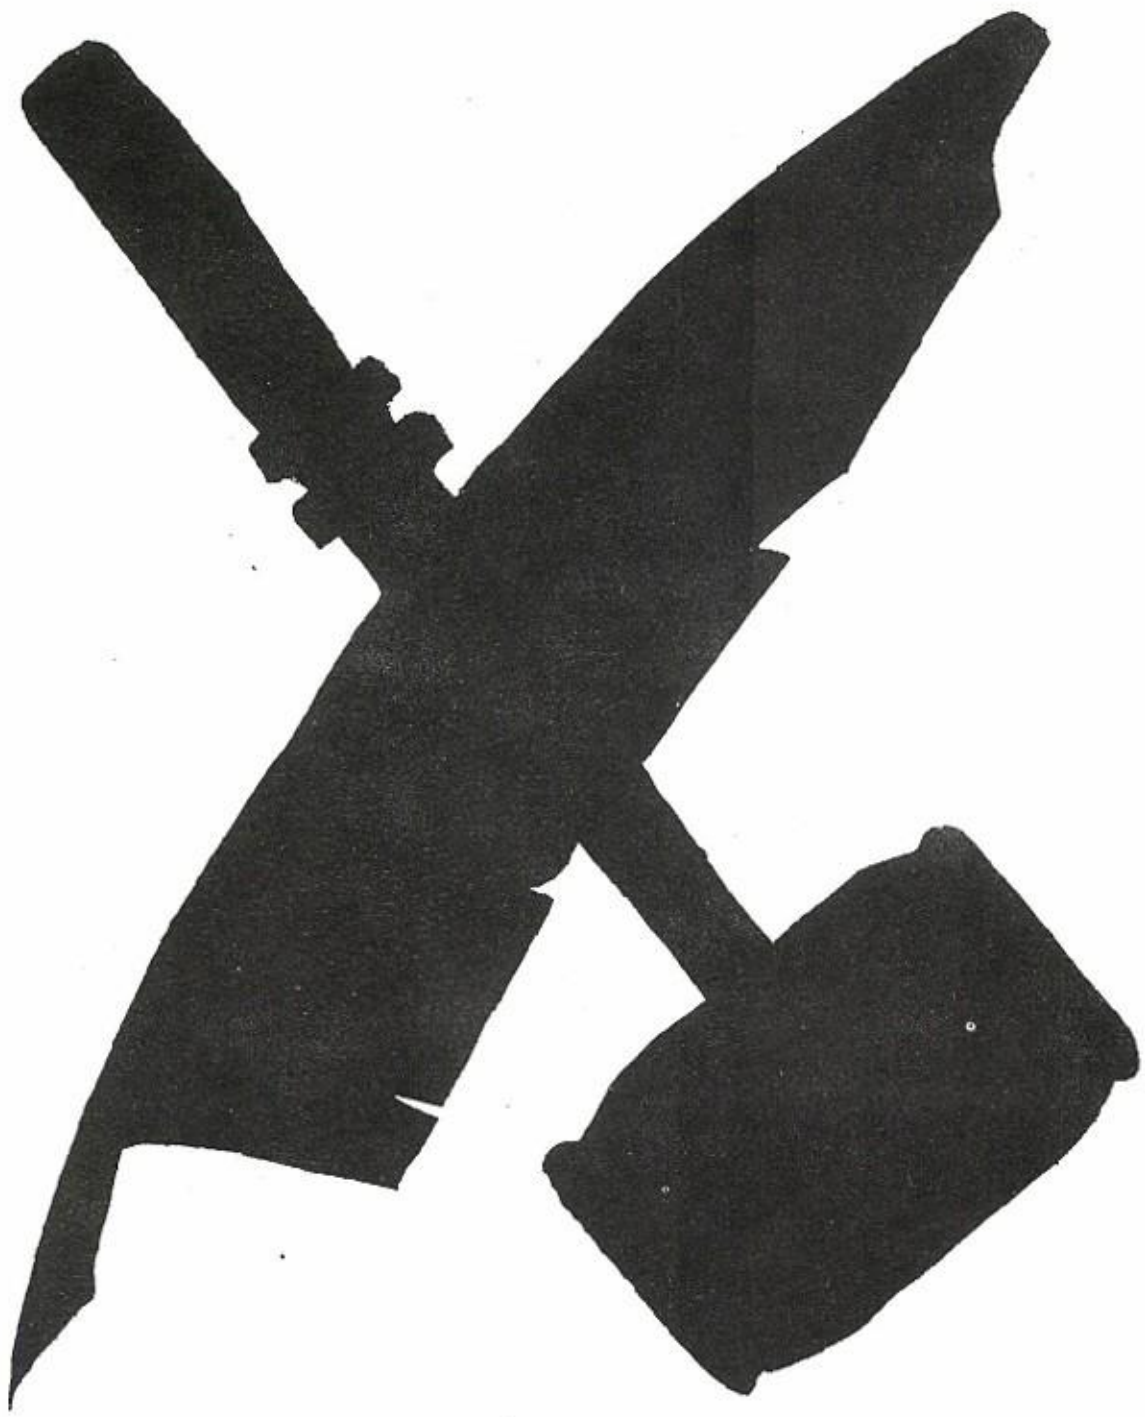
ORGANIZATIONS



Student Council

OFFICERS

President	Carl Wright	Secretary	Dorothy Lawson
Vice President	Sandra Powell	Treasurer	Joyce Anderson

The Student Council members of Stanton High School are elected to speak for and to represent the student body. The Council may offer suggestions to help improve the school and to solve real problems in the school. To fulfill this role, the Council works closely with the student body through the elected representatives and with the administration through the sponsors - Mr. Bickley and Mr. Read.

In furthering its aims and objectives, the council sponsors many activities and projects throughout the year. Some of these are informative and entertaining assemblies, Christmas door decorating contest, Career Day, Twirp Week, and innumerable others. These projects take an enormous amount of careful planning by trained student council members. To train these members, the council sends delegates to many meetings and conventions. This year, for the first time, the council sent delegates to the Southern Association of Student Councils convention in Corpus Christi. These delegates were Marilyn Sale, Marsha Bristow, Nancy Johnson, and Joetta Franklin. Delegates also attended the state convention in Amarillo, and the district conventions in Snyder and Midland - where, for the first time, Stanton ran for District office. The council plans to send a delegate to the National Council convention in Janesville, Wisconsin next summer.

Stanton High School is fortunate in having one of the most active and useful student councils of any school of comparable size in Texas. The school may justly be proud of such a hardworking, wide awake student council.

NATIONAL HONOR SOCIETY

The National Honor Society was organized in Stanton High School in the Spring of 1959 with Mr. Jimmy E. Smith as Sponsor. The purposes of this society are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the developement of character.

Members are chosen by vote of the entire faculty. Membership depends upon high scholarship, qualities of leadership, and citizenship. Students elected to this organization must have, and maintain, an average of 90 in all subjects with no grade lower than 80 in any one. The numbers elected may be not more than 5 per cent of the sophomore class, 10 per cent of the junior class, and 15 per cent of the seniors.

Members at the present are: Elida Reyna, Frances Graves, Marsha Bristow, Weems Williams, Helen Glaspie, Carl Wright, Kathy Hardison, Linda Hillger, Sandra Powell, Dorothy Lawson, Veronica Sorley, Glen Reid, Redgy Church, Joetta Franklin, Sandra Sale, and Jean Mott.

Under the very able direction of Mr. Jack Gray, Stanton's band has grown from its beginning four years ago into a band of which any school might well be proud. The members have taken part in many contests and other events in this area and have shown up well in all of them. They also faithfully followed the football team no matter what the distance or the weather--remember the Homecoming Game? Cold!!

The yearbook staff compliments the band for a job well done.

EL CLUB ESPANOL

The Spanish Club was first organized in Stanton High School in the fall of 1958. Membership at that time was limited to pupils in the Spanish II class. This year anyone who has completed one year of Spanish is eligible to be a member, whether he is in a Spanish class at present or not.

The purpose of the club is to learn more about Spanish peoples and countries than can be learned in the classroom, and to work with other Spanish student organizations to bring about a better knowledge of Latin America. This, we hope, will make us better world citizens.

Members of the club are: Calistro Urias, Alfonso Rodriguez, Alfred Johnson, Glen Wren, David Petree, Carl Wright, Carolyn Kelly, Janice Sims, Kathy Glendening, Estela Sosa, Fred Hernandez, Dora Gonzales, Glen Reid, Nina Yater, and Marga Warrington, not pictured.

MARSHA BRISTOW

CAROLYN MANNING

At the District IV meeting of F. H. A. in San Angelo, October 10, 1959, Marsha Bristow was elected president for the year 1960-61.

Marsha is shown here with the gavel she was given when she was installed into her office.

At the same meeting Carolyn Manning was elected to be an officer of Area II. She will be installed into the office in which she is placed at the Area meeting in Midland March 19.

Carolyn is shown holding the Official Guide.

The Stanton Chapter of Future Homemakers of America is an affiliated chapter of the State and National organizations. As such, it works toward the same goals and on the same projects as chapters in other communities and states. These projects provide additional experience in planning and carrying out activities related to homemaking.

Membership consists of these girls who are or have been enrolled in homemaking classes.

The eight sided emblem symbolizes the significant purposes of the organization. The name of the organization and the motto are around the border. In the center is a house supported by two hands, suggesting that the homes of tomorrow are in the hands of its youth. The hand on the right represents the husband, father, or brother in the home. The hand on the left is the wife, mother, or sister. Together the hands signify the importance of cooperation if we are to have strong homes today and a firm foundation for the homes of tomorrow. The rays extending to and from the house suggest the influence the home has on the community and that the community has on the home.

Librarians

STANDING: Buddy Green, June Harrell, and Calistro Urias. SEATED: Donna Swanson, Ina Faye Kilpatrick, Lelia Quaid, Linda Hillger, Mrs. Cage, Sandra Kelly, Glenda Martin, Ronnie George, and Herman Cain.

The Student Librarians have a very important job. If it were not for them, the full facilities of the library would not be available to the student body at all hours of the day because we do not have a full time librarian.

These boys and girls check the books in and out, keep the shelves orderly, keep up with the fines, and assist in mending and classifying the books. This work is a help to the ones who are doing it - they become better acquainted with the books and their authors and with the mechanics of a library. In addition to this, each librarian may earn up to 2 elective credits toward graduation - 1/4 credit each semester.

Since a library is such an essential part of a good school, much credit should go to these student librarians and to their sponsor, Mrs. Cage, for keeping it functioning efficiently.

Who's Who in Stanton High

If you have ever noticed a blue swish go by you in the hall, it was probably Veronica Sorley busily at work on class, student council, FHA, or paper staff business. She is one of the few students who can make honor grades in academic courses and still be active in numerous extra-curricular activities. These activities have included serving as class secretary for two years, representing her class in the Student Council for the last two years, and holding the office of FHA reporter her sophomore year. She led the FHA as president her junior year and attended the State Convention when she was a sophomore.

She has participated in numerous other activities - cheer leader, sophomore year; Pep Squad secretary, senior; editor of The Buffalo Heard", senior year; and basketball manager.

As a result of her many accomplishments, she was elected to membership in the National Honor Society in her junior year.

One of the busiest people in Stanton High School is Joyce Anderson. Her many varied activities and accomplishments reveal what a wide range of interests she has.

Her fellow students selected her as one of their student council representatives her freshman and junior years, and as a senior she was chosen treasurer of the council.

For the last three years, she has been a hard-working member of the annual staff. This year she was chosen editor. Her interest in school publications has not been limited to the annual, for she has also been a member of the paper staff for two years.

Throughout her high school career, she has been a member of the pep squad and an officer in FHA. She was also a member of the choir her first three years in high school, being a soloist in many cantatas and concerts.

As a freshman, Joyce was an officer of her class and was elected best-natured girl in school. In that year she was also queen of the annual Harvest Festival.

After considering her unbounded enthusiasm in serving her school and classmates, one can readily see why Joyce is exceptionally qualified for Who's Who.

It is not difficult to see why Carl Wright was selected for Who's Who honors. He has been active in practically every area of extra-curricular activity while maintaining membership in the National Honor Society for two years as well.

Perhaps his greatest interest has been in Student Council, for he has been a member throughout his high school career. He served as vice-president his junior year and was elected president as a senior. Under his leadership the constitution has been completely revised and many more activities begun in SHS. The Council has recognized his work by selecting him to attend the 1957 Galveston and 1959 Brownsville State Conventions.

His talents as a public speaker has been shown by his winning second twice in extemoraneous speech at the Regional Interscholastic League speech contest. He was named est Actor in the district one-act play contest also.

He has served on the annual staff for three years, and has worked with the paper his enior year. He has also been a member of the Spanish and Creative Writer's Clubs, and as won various academic awards. Upon his graduation SHS will lose one of its most capble and hard-working students.

A teacher's ideal student is personified in Marga Warrington. However she has also devoted herself to many activities. She has served her school as a student council member her junior year and as a class officer and newspaper reporter when she was a sophomore and junior.

Her talents have been shown by her interest in choir, of which she was a member for three years. She has also served as an officer of the Spanish and Creative Writer's Clubs.

Marga is actively working toward her goal of entering the medical profession by working and studying at the hospital each day. There are few students who are as willing to work toward attaining the fulfillment of an ambition as Marga is.

Marsha Bristow is the only Who's Who student who is not a senior. This distinction was not gained without justification, because she has been active in many areas of student life.

The Student Council has counted her among its most active members for the last two years. As a result of her service, she was chosen to attend the Southern Association of Student Councils in Corpus Christi this year.

Marsha has been a band member and majorette for the past four years, beginning in Junior High.

She is a well-rounded student. Not only is she a National Honor Society Member, but also a basketball player. This year she has served on the staffs of the Buffalo Heard and the Yearbook.

FHA has especially interested Marsha. Among other honors, she has been elected district FHA president for 1960-61.

With so many things already accomplished, her potential as a student is great indeed.

WHO'S WHO IN STANTON HIGH

These are students chosen by the Faculty who, in comparison with the average of their classmates,

1. have shown themselves to be better all-around citizens;

Under the leadership of Coaches John Bailey and Harlan Dauphin and Captains Buzzy Brewer, Norman Donelson, and Dwayne Thompson, the Stanton Buffaloes brought a lot of fame to their school this fall. In fact, according to some of the "local experts of the game" it was the best season in 20 years.

Next year the Buffaloes will be playing in a different District. Because of an increased enrollment in the high school, Stanton is now in Class 3-2A for athletic contests. Opponents for the 1960 season will be Denver City, Post, Slaton, and Tahoka in District play.

Cheer Leaders

What's a Football Game without a Pep Squad? And who ever saw a Pep Squad without Cheerleaders? These five were among the best. Elected in the Spring by the Student Body, they practiced hard all Summer, went to Cheerleader's School at Galveston, then trained their squad like the coaches train the football team. In their white costumes with crimson and gray letters and their crimson and gray pompons, they brought color and enthusiasm to every game.

ALL DISTRICT IN FOOTBALL

The all-district football team was chosen by vote of the coaches of the opposing teams. The players in the above picture were chosen for the following positions: Jerry Polson, offensive tackle; Norman Donelson, offensive end and defensive linebacker; Don Pollock, offensive end; Buzzie Brewer, offensive fullback and defensive linebacker; Arvil Fincher, offensive guard; and A. L. Watts (not pictured) defensive linebacker.

The players in the lower picture were given honorable mention by the Coaches. They are Jerry Polson, defensive tackle; Alton Robertson, defensive tackle, Jerry Baugh, offensive center; Herb Sorley, defensive linebacker; and Dwayne Thompson, defensive quarterback.

HONORABLE MENTION IN FOOTBALL

Lettermen's Club

And so the Football Season ends, and all the boys "who have played the game" have won the coveted letter and the jacket which goes with it. Now they are eligible to belong to the select "Lettermen's Club". Some of these boys are Seniors and will take with them the memory of a wonderful season - one of Stanton's best. The others will be looking forward to the fall of 1960 and a season in District 3-2A - their first as a Class 2-A school. Good luck boys.

Not pictured are A. L. Watts, Arnold Fincher, Arvil Fincher, Don Pollock, Sonny Waldrop, and Dwayne Thompson.

Boys' Basketball

Under the leadership of Coaches Dauphin and Bailey and Capt. Norman Donelson, the Buffaloes have had a very fine season. Of games played, they won 25 and lost 4. They won two first place trophies in tournaments and one fourth. The firsts at Dawson and Garden City, and the fourth at the Big Lake Tournament in which 24 teams were involved.

The Buffaloes won all their district games and so the championship of District 6-A. Then they had the hard luck to lose the bi-district to the hard playing Cowboys from Plains.

At the time the Year Book goes to press, we know that Donelson has won a place on the all-district and all-area teams. Also he is sure of an honorable mention on the all-state - maybe he will be on the all state team too!

Girls' Basketball

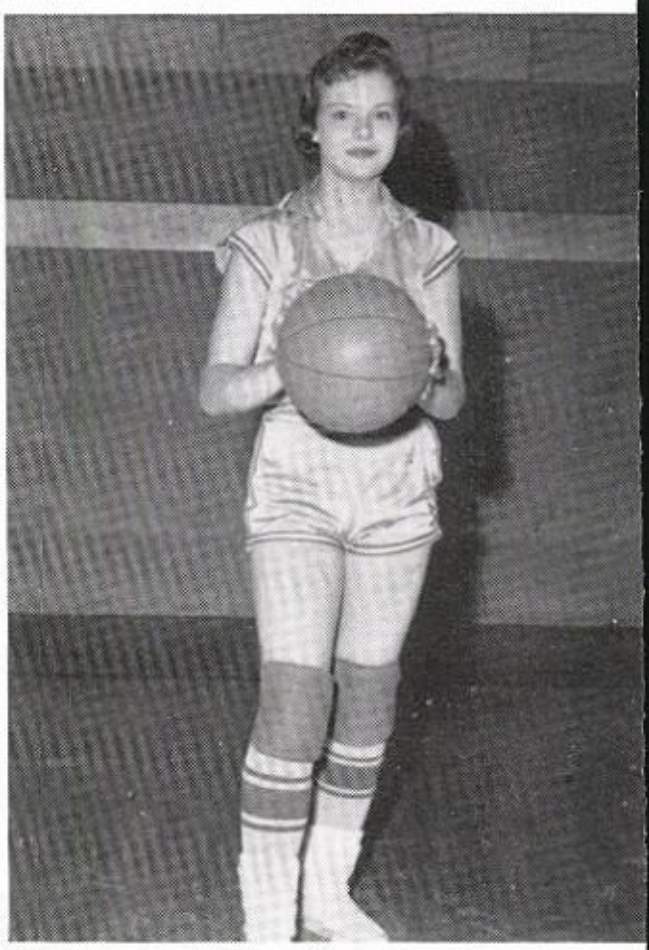
Coach Edgar and The "Starting Six" Carolyn, Frances, Janice, Elida, Gracie, and LaVerne.



ANN YATER, Guard

The Girls' Basketball Team had a marvellous season; even if they didn't win the district, they won a lot of honors.

During the tournament season, they took part in three tournaments and won honors in all of them; first place at Garden City and at Dawson, third at H. C. J. C. All-tournament honors went to Gracie Welch at Dawson and at Garden City. Also Gracie scored the greatest number of individual points at H. C. J. C.

In all-district play, Frances Graves and Janice Glaze were chosen for the all-district team, while Elida Reyna and Gracie Welch won honorable mention.

Of 22 games played, the team won 15 and lost only 7. And are we proud of the three trophies in our trophy case!

The team was coached by Miss Peggy Edgar, and the captains were Gracie Welch and Janice Glaze.

ATTENTION BOYS! As we are getting the last pages ready to mail, we learn that Donelson was selected on the first all-area basketball team and Robertson on the second. Pollock won an honorable mention. Sorry, no more space-we mailed your last page yesterday.

Basketball "B" Team

These are the fellows who will be winning the basketball games for the next few years - we hope! From the way they play they may well be the winners. They are freshmen David Hodges, Johnny Turner, Harry Wright, Benny Womack, Bob Stephenson, Dewey Anderson, Mike Sorley, Ben Mott, Ted Stewart, Buddy Glaspie; Sophomores Mike Black, J. D. Phillips, and Steve Springer, and juniors Jerry Polson and Redgy Church. With these boys and the ones left from this year's A string, maybe we can make it to State next year!

Coach Bailey and the "B" team Starting Five have a huddle before a game.

On February 11 at 6:15 P.M. Mr. and Mrs. Hayes together with Supt. and Mrs. Wilson of Coahoma, boarded a jet airliner at Love Field, Dallas bound for Atlantic City, N.J. Two hours and ten minutes later they were at Idlewild, New York's International Airport. Mr. Hays and Mr. Wilson went to attend the American Association of School Administrators at Atlantic City. Here they are in front of the White House, Washington, D.C.

Planning ahead for your electrical future

How many new uses for electricity will you enjoy 10 or 15 years from now? No one can tell you today, but men are at work in the laboratories developing new electrical conveniences you will use in the years to come. And there will be plenty of electricity to operate these electrical appliances of tomorrow. Business-managed electric companies, like Texas Electric Service Company, constantly plan and build ahead to keep your electric service supply plentiful and dependable . . . ready when needed for progress and for better living.
